

GLOBAL MINDSET

GLOBAL BUSINESS - GLOBAL MINDSET

The business world today has transformed. Globalisation is happening and this is the latest challenge for businesses.

Individuals who work in Global Enterprises are surrounded with much more data, information and connectivity than ever before.

THE TRAINING

This interactive training allows delegates to develop cross-cultural awareness by shifting their mindset, attitude and behaviour within their Global teams.

By the end of this interactive seminar, your employees will acquire the skills they need to navigate the Global workplace effectively.

ABOUT THE SEMINAR

01

60/90 minute seminar delivered by an experienced Business Professional

02

This training is for teams of any size and business leaders looking to develop a Global Mindset

03

Interactive seminar via polls, quizzes and discussions

04

This training gives employees and business leaders dedicated time to reflect on their Global Mindset and the shift they need to make
